Subject: FY 2014/2015 Financial Statements and Investment Summary

Recommendation

Receive and file the Financial Statements and Investment Summary year-to-date report through January 30, 2015.

The attached Financial Statements and Investment Report summarize Foothill Transit's unaudited operations and financial condition as of January 31, 2015 for the fiscal year ending June 30, 2015.

Balance Sheet Analysis (Attachment A):

Assets

The balance sheet, as of January 31, 2015, shows total assets at \$289 million. This total consists primarily of \$191 million in fixed assets, \$80 million in cash and investments and \$18.4 million in receivable and prepaid assets. Foothill Transit's cash position of \$72.7 million is \$200,000 more than the previous month, and is \$10.7 million more than last year in January.

Liabilities

The accounts payable balance is \$10.7 million. Accounts Payables include operating and maintenance payments for \$9 million and \$800,000 for fuel.

The Deferred Revenue of \$61 million represents capital grants that are reserved for planned capital expenditures.

Investments (Attachment B)

Our current investments are held in financial instruments pursuant to Foothill Transit's investment policy. Funds held with Bank of the West in non-interest earning accounts qualify for FDIC insurance, eliminating the risk of loss.

The cash and investments balance includes \$27.5 million in non-interest bearing accounts held with Bank of the West; \$23 million in interest bearing money market accounts with Bank of the West; \$6.9 million with Chase; \$4.0 million with Bank of the West Agency notes; and \$14.98 million invested in the Local Agency Investment Fund (LAIF).

Executive Board Meeting - 02/27/15 FY 2014/2015 Financial Statements and Investment Summary Page 2

In October 2014, \$1 million of the Federal Home Loan Bank agency callable notes was called. Foothill Transit earned \$4,062 in interest for the 3 month investment. The \$1 million was reinvested in another five-year Federal Home Loan Agency callable note with a current interest rate of 1.25 percent. Investments also include \$2.99 million with Wells Fargo invested in FDIC insured Certificates of Deposits.

The current interest rates on all accounts are included on Attachment B. The LAIF investment, the CD investments, and the deposits with Chase earn interest and are held for future capital and operating funding requirements.

Operating and Capital Revenues and Expense Analysis (Attachment C)

January 2015 year-to-date fare revenues were \$11,033,600, which is \$26,100 more than the budgeted amount and \$179,413 more than January 2014.

Operating costs through January 2015 were \$41.2 million, which is \$3.8 million less than the budget and \$3.8 million more than January 2014. Of this \$41.2 million \$30.9 million are operating costs for the Arcadia and Pomona operating contractors. The other large operating expense is fuel which was \$3 million through January 2015.

Capital expenditures through January were \$21 million compared with \$37.9 million last year at this time. The majority of capital expenditures this fiscal year have been for delivery of new CNG buses, design and pre-construction work on the Azusa Park & Ride lot, and heavy maintenance activities. The annual budget for capital expenditures includes purchase of 60 CNG buses and two electric buses.

Farebox Recovery Ratio

The January year-to-date farebox recovery ratio was 26.7 percent; approximately two percent greater than the performance target of 24.7 percent. The farebox recovery ratio is derived by dividing the total fare revenue of \$11,033,600 by the total bus operating expense of \$41,216,714. This ratio is less than the January 2014 ratio of 29 percent.

Total Disbursements (Attachment D)

Total disbursements reflect invoices paid for the month of January 2015; they do not reflect the total expense incurred for the month. If an expense has been incurred but not yet invoiced or paid, Finance accrues the expense to properly track the expenses during the month in which they actually occurred.

Executive Board Meeting - 02/27/15 FY 2014/2015 Financial Statements and Investment Summary Page 3

Total disbursements for January 2015 were \$4.8 million. Capital disbursements totaled \$535,077, fuel was \$518,454 and other significant disbursements include \$2.8 million to First Transit for bus operating services including close-out of the Arcadia contract.

Sincerely,
